

# LOADING AND UNLOADING

Access to the theatre loading docks is off Regent Street and 100 South, trucks must back in from the street. Only 3 trucks can unload at a time.

## Eccles Theatre Truck and Bus

The best way to arrive at the Eccles theatre dock:

- Turn on to 200 South heading East from West Temple.
- Cross over Main Street in the left lane.
- Midblock, turn left on to Regent street heading north.
- Turn left in to the Plaza.
- Trucks Back in to Dock
- Buses nose in first to dock

**\* Attention!!!\***

Do not attempt to drive down Regent Street from 100 South. There is no left turn allowed and the Right turn is too shallow for long Vehicles.
